

We want YOU to join the Stampede!

I am sure you will agree that high school is so much more than buildings and books. Athletics, clubs, and organizations combine to create a rich high school experience. We are proud to announce a very healthy and active Men's and Women's Cross Country Program at Yorba Linda High School. Our student athletes have taken to the streets and trails of Yorba Linda with great enthusiasm.

It is our desire to continue to build a program that will give students an opportunity to achieve success both on and off the course. It is also our hope you will choose to partner with the Yorba Linda High School Cross Country program in creating a quality organization. Below are several sponsorship opportunities; any donation is greatly appreciated.
